## **STUDYLADDER FOR PRIMARY CLASSES**

Dear parents/carers,

We would like to inform you that your child's class is now using a free version of Studyladder, which is an online educational program which allows students to learn at their own pace.

### About Studyladder

Studyladder is a web based educational program designed by teachers. The program is curriculum based and covers mathematics, literacy as well as other subjects. Your child has been given a username and password (both of which are attached to this note) which can be used to access Studyladder.

### Using Studyladder

It is not compulsory for your child to use Studyladder at home as part of their homework however, regular access will help them reinforce what they have been taught in school. It will also help to build their confidence through practice.

### Safe Internet Usage

Your child will not be able to chat with anyone using Studyladder. However, we encourage you to supervise your child when using the internet.

### Using Studyladder From Home

Simply go to [www.studyladder.com.au](http://www.studyladder.com.au) and login using your child's username and password. The free version allows students to access 3 activities per day from home (it is optional for parents to upgrade if they wish to give their child unlimited home access). As a parent you can join Studyladder for free if you wish to monitor your child's progress.

If you have any questions please contact your child's teacher or email [support@studyladder.com.au](mailto:support@studyladder.com.au).

Regards,

Janelle Patatoukos  
Primary Assistant Principal
