FROM THE PRINCIPAL'S DESK

Our thoughts go out to the many families across the state who have been affected by the bushfires. Communities have lost homes, schools and most sadly, lives. Safety is always our first concern and although unfortunate, our years 5 and 6 students were unable to attend their camp at Point Wollstoncroft. Once things settle down next week, we will look at what we can put in place for these students.

Our students have a number of activities which will take place over the next week or so. Years 3 and 4 are off to the Roundhouse Rail Museum, year 2 to the art gallery and fire station and the whole school coming as their favourite book character next Thursday. This will be coupled with a cake stall to help the Year 6 students fund raise for their gift to the school.

I am now planning for next year to ensure we have adequate staffing and resources. If your children will not be at Bradfordville Public School in 2020, please contact the school office.

Thank you to all those families who ensure their children are always dressed in their uniform. It looks great to see all the students together as a group coordinated in their uniform. One issue we are currently having is students wearing black and other coloured socks. These are **not** part of our uniform. Students are to wear **plain white socks**.

This weather has been unpredictable with temperatures up and down. Next week is forecast to be extremely warm, with temperatures in the 30's. Please ensure that your child has a water bottle, and that it is labelled clearly with their name. We already have a large number of bottles which no one seems to own.
