Bradfordville Public School

Term 4 Week 5  
12 November 2020

*To promote a love of learning in a safe and caring environment that encourages the pursuit of excellence*

*From Mr Darcey*

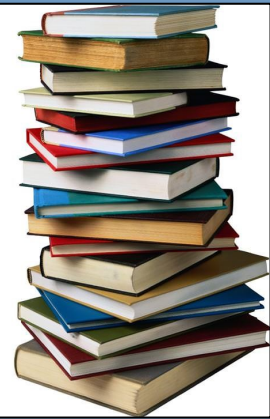

Yesterday our school stopped at 11am to commemorate the end of the first world war and remember those that have died in the line of duty. Thank you everyone for showing your respect so beautifully.

*Lest We Forget*

The NSW Department have announced that we are able to run end of year Presentation Assemblies with a number of COVID safe restrictions. Due to these restrictions, we will not be holding an Evening of Excellence assembly this year and our annual presentation day will now be called our Celebrating Excellence Assembly. We will be holding a K-2 and a 3-6 **Celebrating Excellence Assembly**. K-2 at 9:30am and 3-6 at 12pm on Thursday 10th December, 2020. Due to the square meter restrictions, we will be inviting parents/carers of those students receiving an award to the actual assembly. We will be recording both assemblies for those parents/carers that are not able to attend live. We will be sending invites from Tuesday 24th November so please make sure you are checking your letter box. On Friday 11th December (the day after Celebrating Excellence), we will be holding a 2021 **Leaders Induction Ceremony** for those students that are elected 2021 School Captains, Vice-Captains, Prefects, Sports Captains and Sports Vice Captains. Again, those parents/carers that have a child involved in this will receive an invitation in the mail. We will be recording the Induction Ceremony for those that are unable to make it. Year 5 and 6 received their invitations for the **Year 6 Farewell** earlier this week. I ask that parents please make sure they carefully read the invitation instructions as again, we run our Year 6 Farewell under a number of COVID safe restrictions.

I am so glad that we are able to run our end of year celebrations, albeit somewhat differently this year. I apologise that we are not able to have everyone come up to the school and celebrate as an entire school community but 2020 has certainly been the year of compromise and resilience. *Bede Darcey*

## Library News

We have been busy this term learning about the non-fiction section in our library.

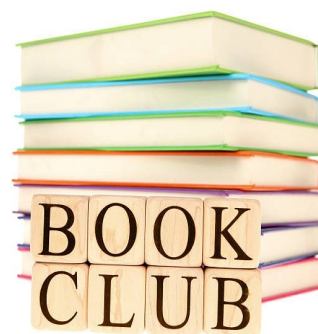

We have been reading a variety of non-fiction books for enjoyment, and also for research. A highlight in the library this term was our Book Character Parade in week 2. Thank you to all our parents, caregivers and students for your participation and enthusiasm.

This week the overdue notes will be given out to students. Please remind your children to look for these books at home. It would be wonderful to have our library books returned by Week 8 this term.

Braddy Bookshop will be held Wednesday, 18 November. If any students have a star reader voucher they may come to the shop and choose a book. Students who have earned a star reader voucher through the library loyalty program, Mrs Taylor will have their voucher to give to them on the day. This should be an exciting event!

Happy Reading!

Mrs Taylor
