Bradfordville Public School

Term 4 Week 8
26 November 2021

*To promote a love of learning in a safe and caring
environment that encourages the pursuit of excellence*

Dear Bradfordville Families,

The students and staff have had a very busy and productive two weeks here at Braddy! There is a lot to share and celebrate with you all. Firstly congratulations to our Yr 5 students who presented leadership speeches for 2022. While this assembly was held virtually you all demonstrated bravery, confidence and attributes of aspiring school leaders. I look forward to announcing our School Leaders and prefects at this years Academic Excellence Assembly.

Our Year 6 students attended high school orientation visits this week. I am very proud to say that our Year 6 students demonstrated Respect, Responsibility and Excellence during their orientation visit and represented our school with immense pride.

Our postponed Colour Run Date was held last Thursday. Thank you to Mrs Lambert and the PBL team who organised this special celebration to acknowledge students efforts towards demonstrating our BPS values of Respect, Responsibility and Excellence. It was a whole school effort with all students earning Booster Tickets to fill our Braddy Booster Box to the top. It was such a fun day with many smiling faces and sneaky coloured chalk attacks.

Our Aboriginal students have been attending an online Wiradjuri Language and Culture camp at school. It has been lovely to see our Aboriginal students connect with each other while learning through culture. Thank you to Mrs Fleming and Mrs Hedges for organising this activity.

The Stage 3 Space Fair was also held this week. What an amazing way to highlight student excellence within our school. I was extremely impressed with how our stage 3 students presented their work and the confidence they demonstrated when sharing their learning with peers and staff.

Our Red Ribbons have now closed for the year. Final presentation of ribbons will be held in Week 9 during walkthrough awards.

A reminder that all students must be wearing their full school uniform until the end of the year. We have many special events and assemblies coming up over the next 2 weeks and I would greatly appreciate your support in ensuring your child is wearing their uniform to school.

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight  = **4** weeks  = Over **1** year missed

1 day per week  = **8** weeks  = Over **2.5** years missed

Braddy Promoting Success Target Week 9

This week at school we are explicitly teaching the BPS behaviour expectation of *"We Respect our Environment"*. You can follow up this message at home by:

- Discussing that respecting your environment means you actively look after the equipment, belongings and surrounding of the school for the benefit of everyone.
- Acknowledging when your child puts rubbish into the bin or recycles materials, they are showing respect for the environment.
- Using a proactive consequence in a negative situation. At school this might be a student pumping up the basketballs for everyone because they were kicking it and making it flat. Think about how you might use this strategy at home to help teach your child how to respect their environment.

Our very big thank you to
Studio 4
for our Braddy Promoting
Success stickers and
the new signage for our
lectern, which is a
gift to our school
from our
Year 6 2021 students.

Thank You
