Bradfordville Public School

Term 4 Week 1  
18 October, 2018

*To promote a love of learning in a safe and caring environment that encourages the pursuit of excellence*

## NEW INTERACTIVE PANELS!

Some of our Kinder Blue students, Quentin, Ava and Paige enjoying using our bright, new panels!

## Mystery Masquerade Raffle

Students in Year 5 and Year 6 will be selling raffle tickets in the Cola at lunch times over the coming weeks to raise money for the Year 6 Farewell.

Tickets are \$1 with all prizes remaining a **MYSTERY!**

Be sure to bring your money along to purchase a ticket.

## FROM THE PRINCIPAL'S DESK

It was great to come back to slightly warmer weather and welcome rain.

We are now finalising arrangements for primary camps and students should be bringing home their final invoices for outstanding payments today. Please pay the outstanding amount asap. If you have an issue paying this, please call Mrs Charnock to discuss a payment plan.

This week, we have had new interactive panels installed school-wide to replace our older interactive whiteboards and projectors. The new technology is an all in one panel, without the issues of projector lamps and fading screens. Our final board will be installed in the hall in the next week or so. This one is much larger and will be installed with a bracket which allows it to be raised and lowered for the audience. The cost of purchase and installation of these panels in 2018 is in the vicinity of \$60 000. This doesn't include the five panels previously installed. Our FITNESSATHON fundraising has supported this purchase.

With the removal of the old boards, we will be doing rectification work to the walls each Tuesday. On a given day, your child's class may be working in either the computer lab or hall to allow this work to take place. All disruption will be kept to a minimum.

Years 5 and 6 students will be fundraising in the coming weeks for both the Year 6 Farewell and the Year 6 gift to the school. Information should have come home about the fete and cake stall. Please support our students in their efforts.

Over the last two years, the students have performed two musicals. In future, we plan to do a musical every two years, which means that our next musical will be held in 2019. This will allow us to plan effectively and use the whole year to train students, build sets and integrate it into our curriculum. Once we have decided on the musical, we will inform you of the title and performance dates.

## HEAR FROM A HOST MUM

Hosting has been one of the most rewarding and exciting experiences for our family. Romane, our student, was definitely one of the most kind and pleasant people we have met and right from the start was a perfect fit for our family. Being able to share this experience has had a positive effect on all of my young children."  
Host mum, Candice.

## HOSTING AT A GLANCE:

- Hosting is voluntary
- You choose your student
- Students attend high school full time
- 24/7 support provided
- Host families come from all over the state
- Students come from all over the world and stay for a short term (8-10 weeks), a semester or a year.

## BOOK CHARACTER PARADE TUESDAY 30 OCTOBER, 2018

A chance for students to dress up as their favourite character from their favourite book and have a bit of fun! Let your imagination run wild!

The parade will be held in the school hall at 10am.  
Parents/carers are welcome to attend.

REMEMBER it's a Book Character Parade!

Bring along a copy of the book or a drawing of the front cover.

The canteen will be open for purchase of refreshments.

# PEER SUPPORT

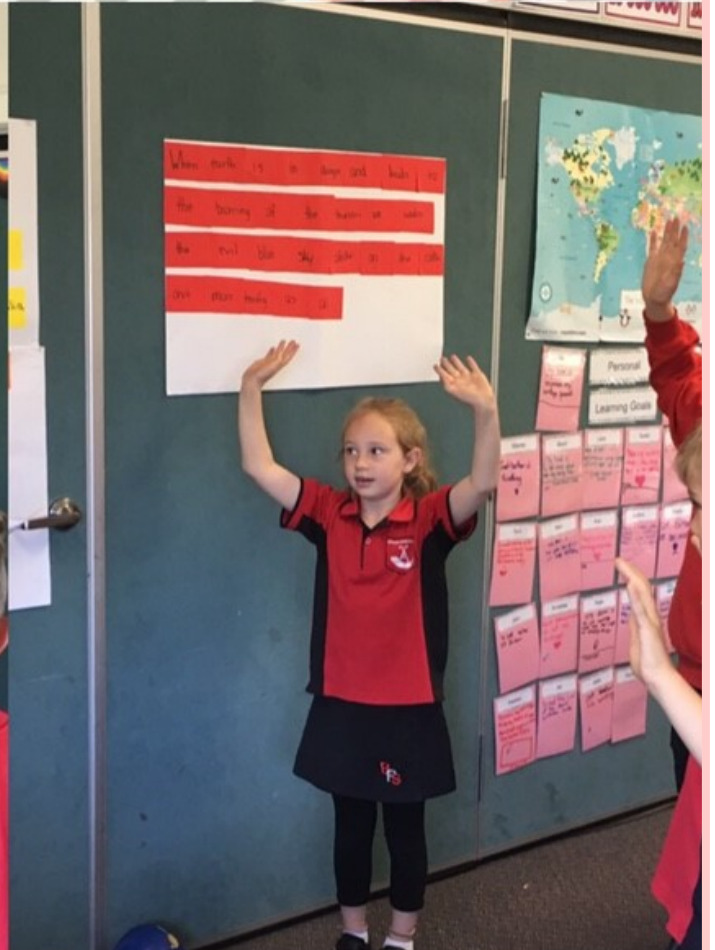

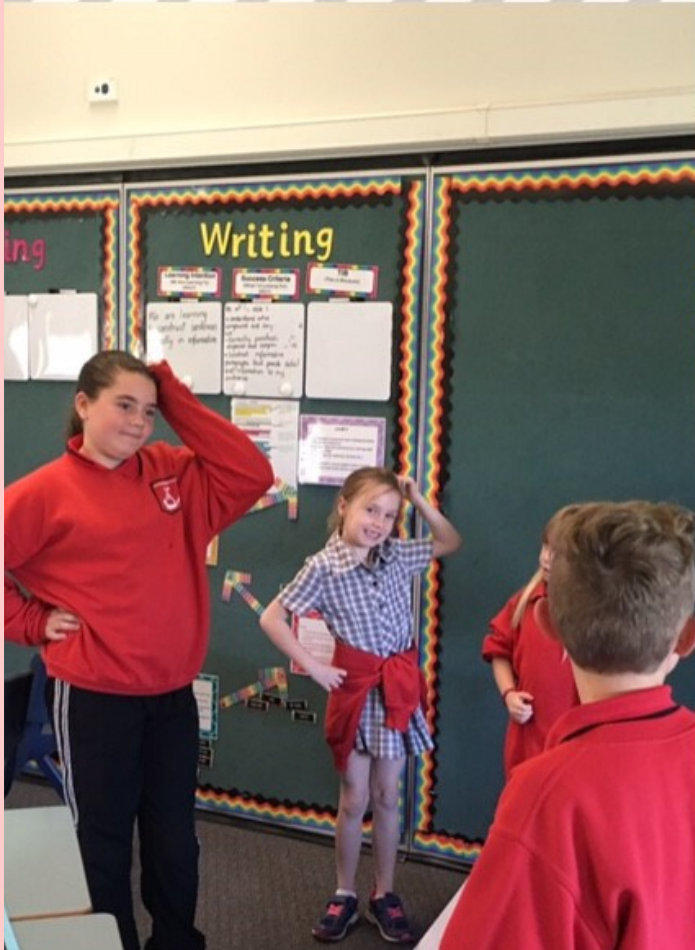

We introduced a 3 step model this week to encourage resilient responses;  
Pause, Plan, Proceed.

The children take part in an activity to identify their feelings and the immediate effects on their bodies such as butterflies in their stomachs. The normalcy of feelings is acknowledged and the importance of being proactive is stressed. The children learn that pausing when they are emotional is helpful. They can do this by being still, taking a deep breath or counting to ten. Pausing gives children space to see a situation more accurately before planning a response.

Ask your child to describe the 3 steps of the model and what is involved in each one.
