5th November 2021

Dear Bradfordville Families,

Please see information from the NSW Department of Education regarding student attendance at school for the remainder of Term 4 2021.

- All students are expected to be at school unless they are unwell. Do not attend school if unwell, even with mild symptoms. Get tested for COVID-19 and follow NSW Health directions.
- Any person with any COVID-19 symptoms must be sent home and not return to school unless:
 - they have isolated for 10 days, when no medical certificate is available
 - they have a negative COVID-19 test result and are symptom free.
- In circumstances where children have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.
- Self-isolation periods and testing requirements differ for close contacts based on their exposure and vaccination status. If you are identified as a close contact, an authorised contact tracer from NSW Health or from the department's Health and Safety directorate will contact you and let you what you need to do. For more information, refer to the [NSW Health fact sheet on close contacts](#).[External link](#)

Should you have any questions regarding your child's attendance at school please don't hesitate to call the office to discuss these matters.

Kind regards,

Ketryna Coupe
Principal
